

Welcome Message

We are delighted to invite you to participate in the 10th Asia Pacific Tele-Ophthalmology Society (APTOS) Symposium held in conjunction with the 6th Annual Meeting of the Japanese Society of Artificial Intelligence in Ophthalmology (JSAIO) from June 27 – 28, 2025 at Congrès Square Grand Green Osaka in **Osaka, Japan**. The joint **APTOSxJSAIO 2025** will feature hot topics on cutting-edge technologies in tele-ophthalmology and the applications and the deployment of artificial intelligence in ophthalmology.

Dedicated to advancing and promoting the use of tele-ophthalmology, artificial intelligence and service innovations in the Asia-Pacific region, APTOS is privileged to organize our 10th annual symposium in conjunction with the 6th annual meeting of JSAIO, whose aim is to develop digital science in ophthalmology in Japan. It is anticipated that our meeting will bring together more than 500 international and local delegates. **APTOSxJSAIO 2025** is themed up to **RE-CONNECT**, resonating with Osaka's history of technological advancements and in alignment with both of the themes of the World Expos in Osaka – “Progress and Harmony of Mankind” in 1970 and “Design for Future Society of Life” in 2025.

Coinciding with [Expo 2025](#), **APTOSxJSAIO 2025** aims to highlight how AI and telemedicine can bridge the gaps in current healthcare, including disparities in access, high costs, and the disconnection between ideal guidelines and the actual practice. The scientific program of **APTOSxJSAIO 2025** will feature eminent speakers, outstanding panelists, and experts who are experienced in deploying AI and tele-ophthalmology in the real world. We are eager to share in our meeting the latest advancements in artificial intelligence (AI) and tele-ophthalmology as we usher in a new era of health innovations.

Osaka is Japan's second largest metropolitan area and has been the economic powerhouse of the Kansai region for many centuries. We anticipate your active participation in **APTOSxJSAIO 2025** and are delighted to welcome you to the bustling city of Osaka, Japan!

Yours sincerely,
